

# APRIL 9-11, 2010

## AT THE ST. LOUIS SPORTS CENTER

[www.stlsportscenter.com](http://www.stlsportscenter.com)

*This camp will make you a better official. It is an instructional camp and will focus on teaching the principles of officiating 3-man and other aspects of officiating.*

*If you are interested in learning how to become an official, improving or moving up and improving your schedule, this camp is for you.*

*My staff and I are committed to making everyone a better official.*

This is the ninth year for Gerry Pollard's Officiating camp and it is now widely recognized as the top development and training officiating camp in the country. Gerry and his highly trained staff work very hard at making each official better. This camp is developed for officials to learn the principles of officiating and 3-man mechanics and is designed for officials to gain game experience and develop necessary skills to be able to officiate at any level.

Personally, Gerry is a product of the camp system as most of the clinicians are and the hard work and

commitment has paid off. Gerry just completed his 27<sup>th</sup> year of officiating and it was capped off by his 8<sup>th</sup> straight NCAA tournament assignment this past season. Gerry will be entering his third year as the Coordinator of Officials for the NCAA Division II Great Lakes Valley Conference to go along with coordinating officials in the American Midwest Conference and Region 16 JUCO in Missouri.

Officials need to continue to improve each and every year. This camp is designed to show you "how to

referee" the correct way. It is a must if you want to be the best official you can be!

This camp will be held in conjunction with the 11<sup>th</sup> annual Adidas All-American Boys Basketball Shootout sponsored by the Gateway Basketball Club.

## GERRY'S RESUME

- 27-year veteran of officiating at all levels.
- Coordinator of Officials, NCAA Division II, Great Lakes Valley Conference.
